LANDS, FORESTS, AND WATER RESOURCES

NOTICE

In the Matter of the Request for a Pulpwood Harvesting Area under Section 17A of the Forest Act and the Public Hearing at the Submission of Northwood Mills Limited, held at Prince George, B.C., on May 28, 1964.

UNDER authority invested in me under section 17A of the *Forest Act* as Minister of Lands, Forests, and Water Resources, a public hearing was held on May 28, 1964, in the Civic Centre at Prince George, B.C.

At the hearing Northwood Mills Limited presented to me proposals for the establishment of a pulp operation in the Prince George Forest District. This operation is to include a bleached kraft pulp mill with an initial capacity of 500 tons per day to be in operation by mid-1966 and the utilization of the pulpwood from the following public working circles and sustained-yield units: Monkman, Purden, Bowron, Longworth, Robson, Canoe.

In support of this proposal, statements were made by the following groups or individuals:—

- (1) Purden Lake Forest Association.
- (2) W.A.C. Lumber Co. Ltd.
- (3) Fichtner Lumber Co. Ltd.
- (4) Leboe Lumber Co. Ltd.
- (5) Prince George and District Industrial Development Commission.
- (6) Weldwood of Canada Limited.
- (7) Eagle Lake Sawmills Limited.
- (8) Northern Interior Lumbermen's Association.
- (9) City of Prince George.

Two of the above—namely, Fichtner Lumber Co. Ltd. and Leboe Lumber Co. Ltd.—although supporting the application, submitted, in addition, a further proposal requesting that certain species and volumes of timber be reserved to them on a first refusal basis to be used in contemplated veneer and plywood plants to be built by them. In addition, Mr. K. Rueger, on behalf of W. R. Zeidler (1962) Ltd., made a similar request, pointing out that construction of a veneer plant had already been started at McBride, B.C. These proposals do not come under the terms of reference of this particular hearing, but will be considered as far as they may effect any pulpwood harvesting area agreement.

The City of Prince George supported the application with the proviso that the site of the proposed pulp-mill be not closer than 5 miles from the municipality itself. Mr. Ron Carson also submitted a brief requesting that if the site chosen is within 10 miles of the City of Prince George, such site should be approved by the City Council of Prince George and its advisory Planning Commission.

Objections were received to the inclusion of the Canoe Sustained-yield Unit from the Kicking Horse Forest Products Ltd.; Canoe River Development Co. Ltd.; a group of operators at Donald, B.C.; the Village Council of Golden, B.C.; and a group of 76 business proprietors of Golden, B.C., on the grounds that the Canoe Sustained-yield Unit is a part of the Mica Dam flood basin, which would be treated as one economic unit.

They requested that the Canoe Sustained-yield Unit not be committed at this time, and I felt that this was a reasonable

request. In this regard I was assured by Mr. A. H. Zimmerman, of Northwood Mills Limited, that if the Canoe Sustained-yield Unit was not included, they would not withdraw their proposal. This unit, however, although not included, would be open for the purchase of pulpwood and waste. On this basis, and considering the facts brought before me at the hearing, I am satisfied with the terms and conditions of the proposal submitted by Northwood Mills Limited.

Pursuant to section 17A, subsection 1 (d), I herewith designate the area within Monkman, Purden, Bowron, Longworth, and Robson Sustained-yield Units to be Pulpwood Harvesting Area No. 3. I further propose to grant to Northwood Mills Limited an option agreement to purchase the pulpwood from the above-designated pulpwood harvesting area subject to a site location satisfactory to me.

RAY WILLISTON,
*Minister of Lands, Forests, and
Water Resources,*
Victoria, B.C., June 11, 1964.
